B. BILLS –The Commission reviewed the January bills totaling \$5,127.95 and were approved on the motion of Comm. Hansen, second by Comm. Michales.

C. REPORTS –The January reports as approved on the motion of Comm. Michales second by Comm. Hansen were highlighted as follows:

- 1. Invoice list for month** – Brief discussion of the credit card issue we have been experiencing with the Department credit card. Card limit was not high enough so the card kept getting declined. This issue has been resolved.

- 3. Training Report** –Very little to report this month. Since the City changed insurance companies from NYMIR TO Trident, we have a new training system. Officers Hines has been working to get everyone set up in the new system.
- 4. Vehicle Maintenance** – Light month. Brand new car #20 has a brake issue, which will be covered under warranty. We listed some of our older vehicles on Auctions International last month. The online auction ends in approximately two weeks. We also have two more new vehicles arriving today.

5. **Overtime/Sick Time Comparison** –Sick time is down, overtime was not too bad in January.
6. **Overtime Breakdown**– Short shift down. Training is up for January. Two new Sergeants were sent to supervisor school for 3 weeks each.
7. **Other Activities Report** –Mental health calls are staying steady (high). We are dealing with some individuals multiple times per day. Other counties are sending their mental health cases here.
8. **Animal Report** –SPCA Report is now the Animal Report since our contract with the SPCA expired at the end of December. Brief discussion of call volume vs. costs.
9. **Detective Bureau Cases** –Brief discussion of a stolen trailer full of construction equipment and tools, a missing person’s case and underage vape sales.
10. **Officers Injury Report** – No injuries in January.
11. **Officers Activities Report** – New format due to the AS400 going away. Brief discussion of training hours.
12. **Parking Ticket Report** – New ticketing system is coming. We may need to have a full-time PEO once the new system is live. Also discussed DRI and Main Street construction.
13. **Bike Patrol Report** –Nothing to report.
14. **Arrest Breakdown** –Everything up but DWI arrests, which are down slightly.
