New York State's Budget**

Tuesday, March 9th, 2021
at 1:00pm

Hosted by
Cortland Mayor Brian Tobin
& the Cortland County Business
Development Corporation

You must pre-register via email to:

Please join New York State Lieutenant Governor Kathy Hochul for a virtual presentation on New York State's FY 2022 State Budget.

The budget builds on the bold vision to reimagine, rebuild & renew New York by supporting pandemic recovery of highly-impacted small businesses, restaurants and the arts & entertainment industries, placing a cap on broadband for low-income families, providing billions in rent relief and to preserve 100,000 affordable homes, investments from the private and public sectors to create Green Economy opportunities and create the nation's largest infrastructure plan to drive growth and opportunity for all.

You must pre-register by emailing and RSVP to:
