Meeting called to order at 6:36 PM by Superintendant Chris Bistocchi

Approval of minutes from previous meeting (June 10<sup>th</sup>, 2014)  
Motion by Steve Pearsall second by Mike Doughty  
All in favor-officially accepted

Old Business

-Children at Play signage on Harmony Circle brief discussion.

New Business-

-Review of current GIS project and status of mapping and data collection in coordination with SUNY Cortland. Discussion of importance and progress on storm sewer, sanitary sewer signage mapping.

-The possibility recommending to counsel designating the north side of West Main as no parking at alderpersons request (J. Byrd). Discussion topics included:  
possibility of surveying residents  
cars parked on north side actually slow speeding traffic

Motion by (Steve Pearsall) to take no action on subject more information is needed.  
Second by (Pat O'mara)

-Discussion of posting "do not enter" signage on Groton Avenue at Ottercreek  
superintendant Bistocchi gave a basic overview along with outlining the goals of the project. Mike Doughty requested further information like police data and keeping Ken Dye (the alderperson) and the residents in the area in the loop.

Extra Items for discussion:

Bridge projects

The possibility of formulating an official procedure to include input from residents where vehicle and traffic changes are being discussed.

Pullboxes

Parking on North Main Street

Meeting adjourned at 7:29 pm

Motion by (Pat O'mara ) Second by (Cliff Kostuk)
