

CITY OF CORTLAND  
LANDSCAPE AND DESIGN COMMISSION  
Minutes – October 13, 2010

**Members Present:** Mike Dexter (Chair), Nick DeCarlo, Suzanne Etherington, Jeff Davidson,  
Anne Doyle, Diane Batzing

**Approve September 8, 2010 Minutes:** Comm. DeCarlo, 1<sup>st</sup>; Comm. Davidson, 2<sup>nd</sup>

**Update on S. Main St. Tree Replacements**

Comm. Dexter has mailed or personally delivered letters to the affected property owners about trees to be replaced on the right-of-way. Funding for the replacement of 18 trees will come from Miscellaneous Revenues earmarked by National Grid reimbursements for planting small trees under utility wires (\$50.00 per tree), following Council final approval.

**Status of Tree Ordinance Changes**

The Commission is waiting for this issue to be scheduled for Council discussion so that commissioners may be present to answer any questions on the topic.

**City Tree Issue Discussion**

- River St. crabapple – Resident has not removed tree following approval by Commission
- DMV crabapples – trimmed but not removed and replaced
- Tim Horton's – DOT is requiring two trees on business side of sidewalk to be removed. Comm Dexter and Jim Maloney examined trees and are in accord with DOT. They will offer suggestions for replacement trees.

Respectfully,  
Comm. Batzing

**NEXT MEETING: November 10, 2010  
Cortland Waterworks Pump House  
6:30 p.m.**
