Approval of Minutes from 1/06/10 Meeting. Motion by Mr. Howe, Seconded by Mark Baranello. UNANIMOUSLY APPROVED.

New Business:

No new licensing Business on agenda

Old Business:

Plumbing Code Update: From last meeting have still outstanding. Would like to have everybody here when we pass that. We will do that. If we could just pass down to the third floor and nail down maybe a good time when we can get Teddy in here. Carl Hubbard have you heard anything from him. No. Don't know if heating permit was ever issued. We are looking for Carl to make that right on the license renewal. Have everything but workman's comp. So we got it that far. I just want him to take care of business that's all. When people retire certain things happen they don't keep up with things. Can't get license without insurance. It wasn't in here was it Gary. Not able to get him on the phone.

Access to the internet. Can we go and download applications

Issue of owners doing their own plumbing. Have to define owner. Have contractor represent himself as owner of property and perform plumbing work basically as contractor.
