RE: Closing of Court Street

Please place on the September 21, 2010 agenda a request to close Court Street from Church Street to Main Street.

I am requesting Council consideration and approval to close Court Street from Main Street to Church Street on October 2, 2010 from 8:00 am until 8:00 pm. The purpose for the request is to accommodate the annual Pumpkin Fest run, the Fire Department open house and fire prevention activities, our annual Fire Department inspection, and the "wet down" of the new engine we have just taken delivery of.

Please call if you have questions or concerns.

Thank You.
