

You can make Cortland a safer place to live and work!

The City of Cortland Fire Department is pleased to announce the Spring 2012 CPR and First Aid Class schedule. All classes will be conducted at the Armory Classroom #2, 25 Wheeler Avenue, Cortland.

All classes are free to those who live and work in Cortland County.

In 3 hours you can learn CPR, how to use an AED and how to help a choking victim whether they are an adult, child or infant. In 7 hours, you can also learn first aid for many medical emergencies and injuries.
