TEST: No use variance will be granted without showing by you (the applicant) that applicable zoning regulations and restrictions have caused unnecessary hardship. The following tests must be met for each and every use allowed by zoning on the property, including uses allowed by special use permit. Please briefly describe below how each of the four variance tests are met. Attach all supporting materials.

1. The applicant cannot realize a reasonable return, as shown by competent financial evidence. The lack of return must be substantial. Proof:

2. The alleged hardship relating to the property is unique. (The hardship may not apply to a substantial portion of the zoning district or neighborhood.). Proof:

3. The requested use variance, if granted, will not alter the essential character of the neighborhood. Proof:

4. The alleged hardship has not been self-created. Proof:
