**Part One:**

1. You give your child, identified on the top of this form, permission to participate at the Cortland Skate Park.
2. You agree, on behalf of yourself, your child, your assigns, executors, and heirs, to release, indemnify, and hold harmless the City of Cortland, and its officials, officers, agents and employees from any and all liability, damage, claim of any nature arising out of or in any way related to your child's participation at this skatepark except those things caused by the sole negligence of the City of Cortland.
3. You state that you are aware of all the inherent dangers and risk involved in skatepark participation including but not limited to: bodily injury, sprains, fractures, dislocations, lacerations, concussions, skin disease, eye, head, neck or back injuries, or death. Some specific risks include, but are not limited to:

1. Being hit or struck by sports equipment (skateboards, skates, bikes).
2. Being hit, struck, physically challenged or collision with other skatepark participants.
3. Collision with skate park facilities (floor, structures, ground, rink, obstacles, boards, mat).
4. You understand that the City of Cortland does not provide any Accident or Medical Insurance and that you are required to provide this for your child. You agree that you are financially responsible for all medical expenses whatsoever.
5. You understand that the terms of this agreement are legally binding and certify that you are signing this agreement of your own free will after carefully reading it.

**Part Two: Medical Authorization**

In the event of serious illness or injury, I authorize the facility staff to transport (as deemed necessary) my child to a hospital emergency facility for treatment. All reasonable attempts to contact a parent or guardian will be made. I accept responsibility for all costs involved in the transport and treatment of my child. My hospital insurance carrier is listed above.

**Part Three: Facility Rules and Regulations**

2. Children ages 5 to 10 must wear full protective gear (helmet/wrist/elbow/knees) and have responsible adult within a visible sight line.
3. All protective gear and equipment must be designed for skateboard/in-line skating/BMX biking and be in good condition. Cortland Skatepark staff reserves the right to refuse anyone to skate if their protective gear and equipment is not adequate.
